**Bentley Literary Society***Communications Officer*

Fall 2011- Spring 2013

Assisted with editing, publishing, and printing of "Piecework" a yearly compilation of Bentley student artwork  
Planned and promoted the "Piecework" launch event

**Association of Bentley Activities, Waltham, MA**

Commuter Representative

Fall 2010- Spring 2013

Represented the Commuter Students and Commuter Association on campus.

Effectively collaborated with representatives of student government and student organizations to advocate for commuter students and to address issues related to this important constituency.

Planned, promoted, and launched the Bentley Activities Fair and Leadership Conference each semester

Assessed effectiveness of 100 active student organizations, approved new organizations, and terminated inactive ones.

**VOLUNTEER EXPERIENCE:****PPMD Adult Advisory Council***Adult Advisory Council Representative*

January 2015- Present

Currently serving on the first Parent Project Muscular Dystrophy Adult Advisory Council representing the voices of adults living with Duchenne and Becker Muscular Dystrophy in PPMD's legislative, policy, and program activities.

Leading initiatives that will address teen and adult issues such as driving, independent living, home modifications, accessibility, life after college, dating and family life, managing personal care attendants, robotics as mobility options, assistive technology, navigating the system, mentoring, clinical trial design and inclusion, and more.

Spent time on Capitol Hill advocating for Muscular Dystrophy research and representing patients and families. Met with Massachusetts Senators and Congressman.

Serving on committees led by federal agencies and pharmaceutical industry partners

Helped organize their annual Connect Conference and spoke about my experiences with DMD

Serving as Patient Representative for their Duchenne Connect Patient Registry

Spoke about Orphan Disease Research and DMD Research at Pfizer

**MDA Team Momentum***Honored Hero*

Spring 2014

Served as the Honored Hero for the first Muscular Dystrophy Association Team Momentum Boston Half Marathon.

Helped lead an MDA group of runners, who successfully finished the race, and delivered a speech at both the kickoff event and pre-race dinner
